ABOUT THE WORKSHOP

A comprehensive workshop on Rules, its Interpretations, and Refereeing Skills Development of the Volleyball Game was organized to enhance the knowledge, judgment, and officiating abilities of aspiring referees, coaches, physical education students and players. This workshop is designed to enhance the knowledge and skills of referees by focusing on updated rules, effective court mechanics, and practical in-game application. Participants will engage in expert-led sessions, and comprehensive discussions aimed at developing confidence, consistency, and professionalism in officiating.

AIMS

- To familiarize participants with the updated FIVB rules and their correct interpretations
- To improve decision-making and consistency in officiating.
- To develop practical refereeing skills through demonstrations, match simulations, and feedback sessions.
- To promote a deeper understanding of the role and responsibilities of referees in ensuring fair play and sportsmanship.
- Game Management and Decision Making.
